Hi Lisa,

Per your request, I have attached a pdf copy of the highlighted label for 45728-21. Should you have further questions, please feel free to contact me.

Regards.

Vince

Subject: Follow up on notification for EPA Reg No 45728-21

Good morning Vince,

I'm reviewing the label notification you submitted for EPA Reg No 45728-21. Since you are also establishing a new brand name in this action, we will need to stamp a highlighted copy of the label. Please send a highlighted electronic label to me at your earliest convenience, and let me know if you have any questions.

Thanks,

Lisa
